Later on that evening I was invited with a friend by a Russian orthodox priest who works for Unity to assist a meeting on Tradition.
The lady president said that anyone who wants to speak from the audience, will have 8 minutes.
The Russian orthodox priest asked the president on a piece of paper which was passed on to her, whether I could speak to the crowd too.
I presume she knew who I was because she sent back a note saying 'no'.
The priest again wrote a second note, sent it to her, and her reply was once more negative.

Just then I felt Jesus intervening, as though He was asking me: "What are you doing!?"
"I am sending my angels..." He said: "I have told you before sending you to Russia that you were going to go only as a pilgrim, this time!"
I suddenly remembered. But I said like a spoilt child: "Oh Lord! please, I will not make a discourse; just give me three minutes, just to introduce Your Message, nothing more.
